

## From the Desk of the **CHANCELLOR**

November 10, 2025

Dear Horned Frog Students and Families,

Texas Christian University is dedicated to creating an unparalleled academic experience and the nation's most lauded student experience. From world-class academics and personalized student services to vibrant campus life in an exceptional living and learning environment, every investment we make reflects our commitment to ensuring Horned Frogs thrive.

Last week, the TCU Board of Trustees met for their annual fall Board meetings. To support sustainability and initiatives to enhance TCU's academic and student experience, the Board approved a 4.75% tuition rate increase for the 2026-2027 academic year.

The Board reaffirmed its commitment to ensuring that TCU remains accessible to all academically talented and qualified students through merit-based scholarships and financial aid. Need-based aid will increase by 4.75% to match student and family need. If you have any questions about qualifying for financial aid or additional scholarships, please visit the Scholarships & Financial Aid [website](#).

The Neeley School of Business Differential Tuition will also increase by 4.75%, in line with the TCU tuition rate increase. The Anne Burnett Marion School of Medicine at TCU tuition rate will increase by 4.75% as well.

The Board emphasized its dedication to responsible financial stewardship and expressed a strong desire to continue moderating tuition increases, despite the rise in operational costs.

Thank you for being a valued part of the Horned Frog community. We are proud to be a values-centered leader in higher education, focused on student success and the lifelong connections made in this community. Thank you for trusting us with your educational journey and allowing us to be part of your future.

Sincerely,

Daniel W. Pullin  
Chancellor
