Hello, Horned Frogs!

Welcome to the 2025-2026 academic year at Texas Christian University. It is my pleasure to welcome all students, faculty, staff and families to our vibrant community, where bold ideas, lifelong friendships, exceptional academics and a one-of-a-kind student experience come to life. Whether you're beginning your TCU journey or are a returning campus member, we are thrilled you are here.

Only at TCU will students experience top-ranked academic programs led by our outstanding faculty, a welcoming campus ranked [No. 1 for Happiest Students and No. 2 for Best Quality of Life](#), and big-time sports, all in one of the nation's fastest-growing cities – Fort Worth.

- To our students: there is so much waiting for you at TCU! Get to know your professors, discover your passions and get involved in one of our [250+ student organizations](#). And if you need extra support, reach out. Your TCU community is here for you and cheering for [your success](#).
- We hope to see all Horned Frogs in Fort Worth and on campus to experience [TCU Family Weekend](#). From college open houses and tours to the first home football game of the season at Amon G. Carter Stadium, there is something for everyone.

There is no place like TCU. Our core values of integrity, engagement, community and excellence are more than words; they are principles that define our thriving – and growing – university. For 152 years, we have been developing ethical leaders and responsible citizens equipped to lead lives of purpose and impact. As we look to the future and advance our mission, we will continue to innovate, lead and foster the most exceptional academic and student experience in the nation.

I look forward to seeing all we will accomplish together in the academic year ahead.

Lead On, TCU, and Go Frogs!

Daniel W. Pullin
