

PROTECT THE PURPLE

P L E D G E

#PROTECTTHEPURPLE

TAKE THE LEAD ON HELPING
PROTECT THE WELL-BEING
OF OUR COMMUNITY.

TCU is known for its culture of connection. This is a place where people put others first and strive to make a difference. We must work together to protect the health and safety of every member of our campus. Because when life challenges us, Horned Frogs step up.

"As a member of the TCU community, you are first and foremost responsible for your health and well-being. Always use good judgment in any and every activity you undertake. It's our personal responsibility as members of this community to protect ourselves and each other."

— Chancellor Victor J. Boschini, Jr.

I PLEDGE TO:

1

PROTECT MYSELF

- Monitor for the symptoms of COVID-19 and report to a health care professional if I experience fever, new shortness of breath or difficulty breathing, new chills or muscle aches, new cough, headache, sore throat or new loss of taste or smell
- Wash my hands often with soap and water or use hand sanitizer

2

PROTECT OTHERS

- Wear a face covering in spaces as required by the university
- Maintain appropriate physical distancing, especially in the presence of at-risk community members
- Stay home if I feel ill or after exposure to someone who is ill or has tested positive for COVID-19

3

PROTECT OUR HORNED FROG COMMUNITY

- Keep my belongings, personal spaces and shared common spaces clean
- Follow all public health requests and guidance to preserve the wellness of the community
- Read and follow instructional signs and directions
- Respect ALL TCU community members and act with civility in my words and deeds
