To assist with instructional continuity, the Koehler Center has added additional webinars to help with TCU Online tools and other software supported by our office.

Recordings of these webinars and other on-demand training videos can be found on our On Demand TCU Online Training Videos Webpage.

Videos include:

- Using the Assignments Tool
- Using the Quizzes Tool
- Managing Quizzes to Accommodate Student Needs
- Using the Groups Tool
- Using the Discussions Tool
- Zoom Integration with TCU Online
- Respondus LockDown Browser
- Respondus Monitor
Watch our On-Demand TCU Online Training Videos to get started learning about specific tools.
